\$500 REWARD

Offered by the manufacturers
of Dr. Sage's Catarrh Remedy, for a case of Catar-
rhea in the Head which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy
headache, oppression of the brain, paroxysms,
discharge falling from the head in drops, sweat,
profuse, watery, and acrid; others
thick, tenacious, mucous, purulent, bloody and
putrid; the eyes are weak and watery; there is
a ringing in the ears, deafness, hacking or
coughing, the nose is obstructed, the nostrils of
offensive matter, together with sneezing fits;
the voice is changed and has a "nasal
twang"; the breath is offensive, sick, and
smells like urine. There is a sense of
weariness, with mental depression, a hacking cough
and general debility. Only a few of the above-
named symptoms are likely to be present in
any one case. Thousands of cases annually,
without manifesting half of these symptoms,
some result in consumption and end in the
grave. No disease is so common, more decept-
ive and dangerous, or less understood by physi-
cians.

Its mild, soothing and healing properties,
Dr. Sage's Catarrh Remedy are the worst
cures of Catarrh, "cured in the Head."

Sold by druggists everywhere: 50 cents.

"Untold Agony from Catarrh."

Mr. W. H. HARRIS, the famous meteorologist
of El Paso, N. M., writes: "Some two years ago I
suffered until I was free from either nasal ex-
treme, and said I must die. My case was
such a bad one, that every day, towards evening,
I would go to the top of a hill near my home,
barely speak above a whisper. In the morning,
my coughing and clearing of my throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was well
man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSING, Esq., 202 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh, and could hardly eat, drink, or
hardly breathe, and was constantly hawking
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Finally, I was
told to take Dr. Sage's Catarrh Remedy, and I
am now a well man. I believe it to be the
only sure remedy for catarrh now manufactured,
and I have only to give a fail-safe test to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valuable
hints to clothing, diet and other matters
of importance, will be mailed, postpaid, to any
address, on receipt of a two-cent postage stamp.
